

2022 Intuit Technologies Kingborough Squash Open - Sna

Bracket 1

Playoff 3-4

The diagram illustrates a 2-to-1 multiplexer. It features two input blocks on the left, each with three inputs: B_5, C_1, B_9 for the top block and B_7, C_2, B_8 for the bottom block. Both blocks are labeled C_3 . The outputs of these blocks are connected to a single output line on the right.
